**PK1** SCHOOL KITCHEN AND CATERING EQUIPMENT SOLUTIONS  
A flexible approach to buying or hiring, with real benefits

Real solutions for schools and colleges

PK1 has supplied kitchens and catering equipment for hire to schools, colleges and universities for over 20 years. Our range of facilities includes temporary and permanent kitchen and dining solutions for the education sector as well as catering equipment and maintenance solutions for existing kitchens.

We have a wealth of experience supplying school kitchen solutions and provide a full turnkey service including kitchen design, delivery, installation and catering equipment maintenance once facilities are in place.

PK1 has worked hand in hand with schools, colleges and universities throughout the UK and we have an excellent understanding of the issues involved in specifying new or temporary kitchens. We can help provide you with information regarding funding that is available for new school kitchens or a school kitchen refurbishment, providing you with a step-by-step guide on how to apply.

PK1 are a Buying Solutions accredited company, which enables users to maximise value for money in their procurement activities by leveraging public sector purchasing power in order to deliver significant cost savings, while being compliant with EU purchasing legislation.

buying solutions

PK1 are Buying Solutions accredited, meaning that public sector organisations can hire products from us, benefiting from the cost and process savings leveraged by using the Buying Solutions agency while complying fully with UK and EU purchasing legislation.

For more information about our range of school kitchen products and services, please call us on 0845 840 4242, or email [postbox@pk1.co.uk](mailto:postbox@pk1.co.uk). One of our advisors will be happy to advise you on your school kitchen requirements to make sure you are at each and every stage.

For more information about our complete range of temporary kitchens, permanent modular buildings and commercial catering equipment, please see our main website at [www.pk1.co.uk](http://www.pk1.co.uk)

**Schoolkitchens.com, a new website launched by PK1 Group, provides a wide range of information to schools, colleges, universities and local authorities about permanent and temporary kitchen solutions for the education sector.**

The website provides information on the wide range of temporary and permanent options available to establishments undertaking a kitchen refurbishment or new build, including temporary kitchen and dining solutions, KitchenPods (modular kitchens for primary schools), new build kitchen and dining facilities and catering equipment

supply and management services.

There is also details on a large number of funding initiatives for new school kitchen and dining facilities and how to apply for them as well as useful links to organisations that have been set up to promote the uptake of school meals and improve dining facilities.

With funding for rebuilding schools and universities in the UK running into billions of pounds over the next 10 years and a number of Government initiatives in place to promote healthy eating in schools, the development of kitchen and dining facilities is high on the agenda for many operators.
