## HOTEL KITCHENS

- A compact temporary kitchen perfect for hotels and restaurants.
- Capable of providing 100s of meals a day.
- Incorporates the latest health and safety features.
- Ideal for kitchen refurbishments and emergencies.
- Operational within hours of arrival on site.
- Hire from a few days to a decade.
- 24 hour technical support and regular health checks.

**We have over 20 years experience in providing temporary catering facilities throughout the UK and regularly supply leading hotel chains and independants alike during kitchen refurbishments.**

PKL will design, project manage and take care of every aspect of the delivery and installation process for your kitchen hire. Whilst on hire we maintain all of the catering equipment so in the unlikely event of a problem occurring, you can be assured that we will fix the problem with minimal disruption to your hotel.

We also have a large fleet of preparation kitchens, coldrooms, dishwash units and dining facilities available for immediate hire.

**Contact our Sales team and quote 'Hotel Kitchens' for a discounted rate and an instant quote.**
